What is a Parent Association?

A Parent Association (PA) is the official organization of the parent body in a school. Every New York City public school is required to have either a PA or a PTA, and all parents of children in a school are automatically eligible as members. Because of their guaranteed rights and responsibilities, PA's can be the most direct vehicle for parent involvement in the schools, allowing parents to serve as partners both in their children's educations and in the schools themselves. Each PA adopts its own bylaws, elects officers to function as the PA's administration, and holds regular meetings with its membership.

Although it must abide by the rules outlined in the Chancellor's Regulation A-660 (CR A-660), it otherwise decides on its own goals and priorities. In other words: your PA is what you make of it.

Una Asociación de Padres (PA) es la organización oficial del organismo de padres en una escuela. Cada escuela pública de la ciudad de Nueva York debe tener una PA o una PTA, y todos los padres de niños en una escuela son automáticamente elegibles como miembros. Debido a sus derechos y responsabilidades garantizados, un PA puede ser el vehículo más directo para la participación de los padres en las escuelas, permitiéndoles actuar como socios tanto en la educación de sus hijos como en las escuelas mismas. Cada PA adopta sus propios estatutos, elige funcionarios para funcionar como administración de PA y tiene reuniones periódicas con sus miembros. Aunque deben cumplir con las reglas descritas en la Disposición del Canciller A-660 (CR A-660), pueden decidir sobre sus propios objetivos y prioridades. En otras palabras: su PA es lo que hacen con él.
