Donation Envelopes

As the year progresses our Parent Association continues to work towards fundraising activities for the benefit of our students and school community. Part of this work is done by voluntary donations from our families. Our PA is asking for a *voluntary* donation of \$10.00 per family. All parents and guardians are **automatically members** of our Parent Association *regardless* of their ability to donate money to our school. We thank you for your continued investment in your child's education and we hope to continue collaborating with you this school year.

Sobres de donación

A medida que avanza el año, nuestra Asociación de Padres continúa trabajando en actividades de recaudación de fondos para el beneficio de nuestros estudiantes y la comunidad escolar. Parte de este trabajo es realizado por donaciones voluntarias de nuestras familias. Nuestra PA está solicitando una donación *voluntaria* de \$10.00 por familia. Todos los padres y tutores son **automáticamente miembros** de nuestra Asociación de Padres, independientemente de su capacidad para donar dinero a nuestra escuela. Le agradecemos su continua inversión en la educación de su hijo/a y esperamos continuar colaborando con usted este año escolar.

Marking Period 2 and Promotion in Doubt

- ❖ Marking Period 2 Report Cards were released on Tuesday, February 7, 2025. You can access your child's report card history on their NYCPS Student Profile.
- ❖ We are currently in Marking Period 3, which runs until April 11, 2025.
- ❖ At this midpoint of the school year, we review student progress for Promotion in Doubt. Promotion in Doubt, or PID, means that your child's performance in the following subjects may result in retention and a requirement to attend summer school for that subject:
 - Grades 6 & 7: ELA and Math
 - Grade 8: ELA, Math, Science and Social Studies

Promotion in Doubt (continued)

- ❖ Letters informing families of Promotion in Doubt status were mailed on Tuesday, February 11, 2025 to the address on file.
- ❖ Community teams (Admin & School Counselors) are meeting with PID students this week to also review the same letter, explain PID and strategize on what supports are needed to work together for their academic success.
- ❖ **An important note:** If your child does not receive a PID letter but is on the cusp of not passing in their major subjects, they need to keep their focus steady and stay diligent so they do not slide into retention status by the year's end.

 Department of Education

Promotion-In-Doubt Letter

Dear Parent or Guardian of _____ Grade/Class: _____

We hope you are well. We are reaching out to you as we review students' work to decide if they are on track to learning the English language arts (ELA) and math skills they need to succeed in the next grade level.

We carefully reviewed your student's work. We believe your student is not yet performing at the level they need to be promoted to the next grade in June 2025. It is possible your student may remain in the same grade for the next school year (2025-2026) unless they make significant progress in the following subjects:

ENGLISH LANGUAGE ARTS (ELA) MATHEMATICS

If your student has an Individualized Education Program (IEP), they will be held to the promotion criteria listed in their IEP.

There is still time for your student to improve. We encourage you to speak to your student's teacher about ways to support their academic progress. If your student is not promoted in June, they will have the opportunity to attend summer school to improve their ELA and math skills. If your student has an IEP, you have the right to request a review of your student's program at any time.

Thank you for your commitment to your student's education. Together, we can help your student learn the skills they need to be successful in the future. For more information about promotion policy, visit the NYCDOE's promotion policy page at <https://www.schools.nyc.gov/school-life/policies-for-all/promotion-policy>.

Sincerely,
Principal

Understanding Your Child's Academic Needs

The MAP Growth Interim Report for ELA & Math

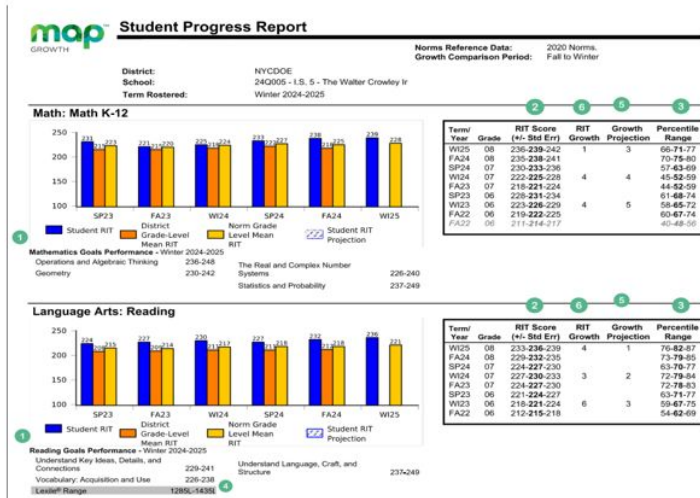

- ❖ All I.S. 5 students will receive a comprehensive report about their MAP Growth progress so far this school year.
- ❖ As a reminder, the MAP Growth Assessment is
 - A screener for the school and your child's teachers to use to pinpoint your child's needs in ELA and Math and , therefore, is not factored into your child's grades
 - Administered three times a school year online
 - Used as a starting point to scheduling WIN Intervention periods in your child's schedule
 - Provides starting details and predicts, based on your child's performance, how your child may perform on NYS exams and beyond

The MAP Growth Interim Report for ELA & Math (continued)

Dear Parents,

Attached is your child's Student Progress Report for the NWEA MAP (Measures of Academic Progress) tests administered in September 2024 and January 2025. This report provides valuable insight into your child's academic growth over this period, highlighting their progress in key subject areas. The MAP test is designed to measure individual student growth and help guide instruction to support their learning needs. Below is a sample of your child's report, along with explanations of each section to help understand the information presented. Please review the report carefully, and feel free to reach out with any questions or concerns.

Instructional area: The learning area (e.g., Algebra Topics) within a subject (e.g., Math) and the corresponding RIT scores the student scored in each.

RIT score range: Indicates where the student scored each time they took this test. The chart below indicates the RIT score and the projected grade level.

Percentile: Where students currently fall for their grade and subject nationally. 50th Percentile is considered average for their current grade level.

Lexile/Lexile range: The range at which each student is likely to comprehend when reading independently.

Reading Grade Level	Beginning of Year MAP Exam (September 2024)	Middle of Year MAP Exam (January 2025)	End of Year MAP Exam (May 2025)
K	BR345L - 10L	BR250L - 85L	BR160L - 165L
