# **We are a YONDR School!**

**At I.S. 5, We believe that phones have great utility. We have also found that learning and social behavior improve drastically when students are fully engaged with their teachers and classmates.**

**The Yondr Program utilizes a simple, secure pouch that stores a phone. Every student will secure their phone in a personally assigned Yondr pouch when they arrive at school. Students will maintain possession of their phones and will not use them until their pouches are opened at the end of the school day. Students are required to bring their Yondr pouch to and from school each day and are responsible for their pouch at all times.**

## How Yondr Works

As students enter school, they place their phone in their assigned Yondr Pouch.

Students close and secure their Pouch, keeping it on them throughout the day.

When leaving school, students tap their Pouch on a Base to retrieve their phone.

## Frequently Asked Questions

What if I want to reach my child during the school day?

We want our students to be engaged in their learning. If you need to contact your child during the school day, contact the main office at 718-205-6788.

What if there is a school emergency?

In case of a school emergency, we direct our students to safety first, following our school emergency preparedness protocol.

Will my student's phone be safe?

Students are in possession of their phone - in their Yondr pouch - for the entire school day. We will advise students to store the pouch in their backpacks where it is completely safe.

What if the Yondr pouch gets damaged or a student is caught on their phone?

The Yondr pouch is property of The Walter H. Crowley School of Leadership at IS 5. If a student damages their Pouch or is caught on their phone, Administration/Deans will collect the phone/Pouch and call home:

- If a student damages their Pouch or is caught on their phone, Administration and/or Dean will collect the phone/Pouch and call home to set a Parent Meeting
- If a student is caught with the phone out a second time, the parents will be called and required to come in and pick up the cell phone from the school.
- Parent Pickup: If a student is caught with the phone out a second time, the parents will be called and required to come in and pick up the cell phone from the school and the students will serve an afterschool detention.

Note: Damage consists of any signs that the physical integrity of the pouch has been compromised, whether intentional or unintentional, as determined by the school or Yondr staff.

However, the need for confidentiality must be balanced against the obligation to cooperate with police investigations, to provide due process, and/or to take necessary action to investigate or resolve the report, including providing supports and interventions. Therefore, information regarding the report may be disclosed in appropriate circumstances or as required by law or where necessary to protect a student whose safety or well-being is at risk.

## **Retaliation (Represalias)**

Retaliation against someone who reports an incident of harassment, bullying, intimidation or discriminatory behavior or who participates in or helps in an investigation is prohibited. Students who believe they have been retaliated against should immediately tell any teacher or other staff member in the school, or the supports outside the school covered earlier in this presentation.

### Report Student-to-Student Discrimination, Intimidation, and Harassment, Including Sexual Harassment and/or Bullying

Under DOE policy, students may not harass, intimidate, bully or sexually harass other students. Students may also not discriminate against or harass, intimidate or bully students on the basis of actual or perceived race, color, citizenship/immigration status, religion, creed, national origin, disability, ethnicity, gender, gender identity, gender expression, sexual orientation, or weight.

There are four ways to report this type of behavior:

- File a complaint online (click the [Get Started](#) button below)
- Notify a staff member at your school, including the Respect for All Liaison or Sexual Harassment Prevention Liaison, verbally or in writing
- Call 718-935-2288
- Email [Respectforall@schools.nyc.gov](mailto:Respectforall@schools.nyc.gov)

### What You Can Report

You can report any discrimination, intimidation, harassment (including sexual harassment), and/or bullying that happens:

- in school
- online (cyberbullying) including websites and social media
- via phone, email or other digital means
- while on school buses
- while on school property
- while off school property when the behavior threatens or has the potential to threaten the safety or well-being of the school community

To report other types of misconduct or concerns, please visit our [Complaint Procedures page](#).

To report physical punishment or verbal abuse, file a complaint with the DOE Office of Special Investigations on the [OSI Reporting System](#). See Chancellor's Regulations [A-420](#) and [A-421](#) for more information.

Charter school, 3-K and Pre-K program use different processes for handling bullying complaints, but you can still file online here. After you file, your complaint will be forwarded to the charter school or 3-K/Pre-K program.
